To Whom It May Concern:

We have been working with Coast Architects Inc. in the design and development of our anticipated funeral home renovation and addition located in Saraland, Alabama. They have provided programming and schematic design services. We have been pleased with their services and would recommend them for other similar projects.

If you have any further questions regarding our project or this recommendation, please give me a call.

Sincerely,

A handwritten signature in cursive script that reads "Barry J. Theriot".
